OIC, Schools Division Superintendent
Division of Cavite

Dear Teacher Che,

Greetings!

As I represent the CAPESPA, I would like to express my sincerest gratitude for your support to the association. Truly a passionate leader like you provides a great partnership in protecting the welfare of our School Heads. But as stated in the association's By-laws and Constitution, specifically Article VII, Section 3, mandate to elect a new Board of Directors and Officers.

In this regard, I am again asking your permission to hold a General Assembly of all school heads in our Division on September 4, 2014; 1:00 pm at Alfonso Central School, District of Alfonso.

If your workload would also permit, may this also serve as an invitation and inspire more our Principals with your message.

Thank you and God Bless!

Respectfully yours,

MARCOS ARISTOTLE P. ALVAREZ
President
