MEMORANDUM
OM-GO-2015-GOU-

TO: Regional Directors
Schools Division Superintendents
Heads, Public Secondary Schools

SUBJECT: Acceptance of Documentary Requirements for Senior High School Teaching Positions

DATE: October 30, 2015

This is to clarify that the October 30, 2015 deadline set in the Senior High School (SHS) Bulletin entitled "Call for Expressions of Intent for Senior High School Teaching Positions for School Year (SY) 2016-2017" is for the expressions of intent and NOT the submission of application requirements.

To reiterate, the purpose of the call was to have a preliminary pool as well as to help gather information on the supply of potential applicants. Thus, SDOs shall continue accepting documentary requirements from SHS teacher-applicants. The SHS teacher hiring guidelines containing the evaluation criteria and selection process will be issued soon.

For information and compliance.
