Dear Ms. De Mesa,

Warm greetings from the Philippine Guidance and Counseling Association-Cavite!

In all educational institutions, a responsive intervention which addresses students' problems related to academics, social, emotional, psychological, spiritual, and physical development is deemed important and serves as the heart of service of any school counseling program. It also helps every individual to optimize their full potential and become active and productive members of the society

In line with this, we are pleased to inform you that we will be holding our 3rd Provincial Assembly on April 28-29, 2016, 8:00 am to 5:00 pm, at Alumni Hall, De La Salle University-Dasmariñas with the theme "School Counseling: Trends and Challenges". Invited as resource persons are Dr. Pabiton, Dr. Caligner and Dr. Montano for our plenary sessions.

We are seeking for your endorsement to encourage our colleagues to attend the said conference and to become more engaged in the advocacies and be active members of the Philippine Guidance and Counseling Association-Cavite.

The different designed topics that would help meet the objectives of the two-day seminar - workshop are as follows:

- Career Advocacy in the Need of Times
