In order to help students choose their career path based on the SHS tracks and their strands, this **RESCHEDULED SEMINAR-WORKSHOP ON PREPARATION FOR GRADES 11-12/SENIOR HIGH SCHOOL THROUGH CAREER GUIDANCE ADVOCACY** aims to cover the following areas:

- Updates on the Senior High School Program

- Assessment of Students' SHS Destination
- Charting Students' Career Path through SHS Track and Strand Selection
- Workshop on Career Guidance Advocacy Plan Making

In view of the foregoing, we are inviting Dr. Adelina A. Sebastian, a Former Chief Supervisor, Curriculum Implementation Division of DepEd-Quezon City and a Consultant to the Quezon City Mayor on Education to be our resource person and facilitator for the seminar workshop sessions. It is our belief that she is well-equipped to provide the necessary information and guidance to the attendees of the seminar workshop through her experience and training.

We also hope to earn the support and endorsement of the Department of Education – CALABARZON (4A) to the schools under its oversight through the issuance of Advisory and/or if possible, posting of our invitation letter to your official websites and/or social media accounts for the information of DepEd officials and personnel/staff as well as the concerned public of the Region.
