### Region IV CALABARZON is K to 12 ready!

In line with the preparations for the Senior High School implementation in June 2016, the First Quarter Meeting of the Regional Development Council Ad Hoc Committee was held on February 4, 2016 at NEAP Malvar, Batangas. It was attended by the DepEd 4A Regional Director, Private Sector Representatives, NEDA Director, NEDA PPFD Chief, CHED, DILG, DOLE, DPWH, NYC, PIA, TESDA, Provincial Governors/representatives, DepEd Regional PPRD and QAD Chief, DepEd Regional PAU, Superintendents from the Division of Cavite Province, Batangas Province, Calamba City, Higher Education Institutions and Private school representatives from Batangas Province.

DepEd preparations for K to 12 was intensified by the devotions, commitments and efforts made by the Superintendents of the different division offices in CALABARZON. Select Superintendents presented their preparations and advocacies for the successful implementation of K to 12 specifically the Senior High School Program. They have initiated different activities to disseminate information

regarding the program. They scheduled fora, consultation meetings, memorandum of agreement signing, location mapping, and on-site testing of the effectiveness of delivery of service to the youngsters. With all these activities, DepEd CALABARZON is all set and ready for the implementation of the Senior High School come June 2016.

These preparations by the DepEd CALABARZON Divisions and personnel are being duplicated by the Higher Education Institutions. They too, have prepared and made adjustments to cater the needs of the coming Senior High School students. They made a partnership with the Department of Education through the Education Voucher Program.

Public and Private Sectors are one with the same mission and vision which is to educate and equip our Filipino learners with knowledge, skills and abilities to exhibit excellence and competitiveness and be globally-competitive.

With these partnerships, DepEd CALABARZON is ready for K to 12 Senior High School implementation in June 2016.
