Ms. Cherrylou DJ. De Mesa

Officer-in-charge

Schools Division Superintendent, Cavite Province

Region IV-A

Dear Madame:

The PAGHILOM Art Training and Workshop for K-12 Art Teachers has been POSTPONED to accommodate requests from schools to hold the training on weekends instead of the original weekday dates (October 19-21, 2016). The training organizers deem it wise to hold off the training while the program is being recalibrated to suit the new schedule.

We apologize for any inconvenience this delay may have caused you. We assure you that we are doing our best to mount the event at the most favorable time for the parties involved, possibly later this year or early 2017.

The training team will send updates on the new schedule as soon as we have finalized the details of this project.

Thank you for your understanding.

Sincerely,

Mary Ann Salvador

PAGHILOM Training and Workshop Organizer
