RE: CALL FOR PARTICIPATION

To whom it may concern,

The year 2016 marks a milestone in the Philippine educational system as we fully implement the K to 12 Basic Education Program. To assist in the achievement of the goals of this program, the Guro Formation Forum (GFF) is pooling our resources to provide continuing education opportunities for our educators and school administrators.

In view of this, we are pleased to inform you that we will be conducting the **2016 International Conference-Workshop (ICW) for Teachers and Administrators** with the theme: **"Stratagems and Modalities of Performance based Assessment of Learning across Disciplines."** The ICW will be held from **October 27-29, 2016 at the Tagaytay Country Hotel.** The main objective of the event is to equip the participants with much needed knowledge and skills to develop outcome-based learning tasks that *measure student's self-monitored understanding of various contents in different subject areas or disciplines.*

Foreign experts from such countries as the USA, Malaysia, Thailand, China, and France have already expressed their willingness to share their experiences as conference speakers. Joining them are our local education experts from premier universities, colleges and organizations who are known for their significant contributions to the development of excellent learners in the country.

Through the issuance of DepEd Advisory No. 240 s. 2016, we have been allowed to invite all educators/faculty/teachers, principals, superintendents, supervisors and personnel from DepEd both public and private institution to participate in this international academic event.

DepEd Cavite participants will only pay a discounted rate of Php 4,000.00 as registration fee upon presentation of their DepEd IDs.
