SUBJECT: REPUBLIC ACT 10173 OR DATA PRIVACY ACT OF 2012

Dear Madam:

Greetings!

We are pleased to invite you to attend to the Data Privacy Awareness and Compliance Workshop to be held on the workshop schedules stated below.

Section 2 of Republic Act No. 10173, also known as the Data Privacy Act of 2012 (DPA), provides that it is the policy of the State to protect the fundamental human right of privacy of communication while ensuring free flow of information to promote innovation and growth and to ensure that personal information in information and communication systems in the government and in the private sector are secured and protected.

Under Section 22 of the DPA of 2012, the head of each government agency or instrumentality is responsible for complying with the security requirements mentioned in the law. This includes ensuring all sensitive personal information maintained by his/her agency are secured, as far as practicable, with the use of the most appropriate standard recognized by the information and communicating technology industry, and as recommended by the National Privacy Commission.

It is for this reason that we are extending this invitation to your agency to attend to our workshop to assist you and elucidate how to comply and participate in the NPC's roadmap towards security of personal data in the government agencies.

We also encourage you to send or bring a minimum of at least 3 to 4 participants to form a Breach Response Team to be headed by the Data Protection Officer (DPO) to attend from Session 1 to Session 3 so that they might have a working understanding of the Data Privacy Act of 2012 its IRR and implementation practices. We will focus on giving them a practical sense of the rules and their impact as well as valuable insights to help prepare your agency on the challenges it presents.

Below are the workshop schedules: (pls choose your workshop dates and venues)
