De Ocampo Elementary School
San Agustin Elementary School
Trece Martires City National High School

Madam Cherrylou De Mesa,

Greetings in the name of our Lord Jesus Christ!. May we request your permission for volunteers from Christian Biblical Ministry to teach Values Instruction Classes (VIC) in your school for the SY 2018-2019.

This initiative from Christian Biblical Ministry is our response to the Philippine government's invitation to the private sector to assist in the teaching of moral values in our public schools. We are taking this initiative with the aid of the curriculum materials that have been developed by VOICE (Voice Orientation In Classroom Education) Philippines, Inc., a non-stock, non-profit NGO that has been established with the sole objective of promoting values education inside public school classroom.

The VOICE values curriculum and program are specifically designed for volunteers to use in Philippine public school classrooms. It is a non-sectarian values focused curriculum that is biblically-based. Since the Bible is the universally accepted best source of moral values, we have chosen to use it as our main reference. The curriculum also incorporates Philippine historical figures and fables/legends to further highlight the selected moral values. A growing number of Philippine public elementary and secondary schools have welcomed this community volunteer-driven program and the feedback from the principals, classroom advisors, parents, and students has been very encouraging.

VOICE Philippines is developing a curriculum for grades 3 – 4th year high school. Each module of the curriculum focuses on two moral values and is comprised of twelve lessons intended for one semester; there are two modules per year for each grade/year level—twelve weekly classes during the first semester, and another twelve weekly classes during the second semester. In addition to the Teacher's Manual and full-color visual aids for the volunteer teachers, each student is provided with a weekly Class Activity sheet and a Take Home Activity sheet. At the end of each school year, students who have completed a minimum number of the Class and Take Home Activity sheets are awarded a Certificate of Completion.

Please feel free to phone us at 09994416067 should you wish to discuss this further. **Mr. Alex T. Daquila** our VIC Campus and Community Coordinator (CCC) would be more than happy to visit you at your office at your convenience.

Thank you for considering this request and we look forward to your favorable response.

Very truly yours,

Alex T. Daquila
