2018 Calabarzon Research and Statistics Forum

Call for Research Papers

Goal and scope

The Regional Development Council – Regional Research Committee (RRC) in collaboration with the Calabarzon Regional Research Council (CRRC) will be conducting the 5th Calabarzon Research and Statistics Forum on October 18, 2018 (Thursday). The forum aims to showcase the findings of the research studies to promote the culture of research and strengthen the statistical capacities of academic institutions, government agencies and local government units in the region.

The RRC/CRRC call for the submission of quality research papers from the academe, research institutions (public and private) and consortia containing results and findings relevant to the following fields of research:

- I. Industry and Services
- II. Agriculture, Hunting Forestry and Fisheries
- III. Infrastructure
- IV. Social Development (Health, Education, Gender, etc.)
- V. Governance
- VI. Environmental protection and natural resources management

Research papers submitted may address more than one field.

Participating Research Paper

The call is open to all scientists and researchers (group or individual) from Calabarzon state universities and colleges, R&D institutions, higher education institutions, and private industries doing R&D work.

Submission of Research Papers

Paper presenters to submit the following:

- accomplished registration form
- one-page Abstract in pdf format, 250-350 words including keywords, single spaced, font: Arial 11
- Endorsement by head of agency/institution

Paper abstract must be submitted in electronic copy not later than April 30, 2018 (Monday) by email to **researchforum4a@gmail.com**. Inquiries will be entertained by NEDA Region IV-A thru telephone number (049) 545-0091 or email at researchforum4a@gmail.com.

General Guidelines

Research paper submissions must be completed within the past five years. Only **unpublished** research papers will be accepted. All submissions will be reviewed by the Calabarzon RDC-RRC. Principal authors may submit a maximum of two papers. Research papers that are not compliant with the required format and not relevant to the fields of research identified will not be accepted. Qualified papers will be notified to submit their full paper on or before May 18 (Friday). The RRC will not tolerate plagiarism or other similar acts.
