DR. DIOSDADO M. SAN ANTONIO
Director IV,
Office of the Regional Director
Department of Education
Region IV-A CALABARZON

Sir:

Greetings!

The Association of Science and Mathematics Educators of Philippine Private Schools spearheaded the organization of the Regional YES.O of private Schools in Region IV-A CALABARZON in support of DepEd Order No. 52 series of 2011. For the past years, an increasing number of private schools through ASMEPPS in CALABARZON were able to participate in the YES.O project as per DepEd Order No. 93 s. 2011. We have partnered with the **Department of Environment and Natural Resources** for our activities namely: Mangrove Tree Planting in Calatagan, Batangas, Tree Planting and Eco Awareness at Angat, Bulacan and Tanay, Rizal, International Coastal Clean-Up at LPPCHEA and Manila Bay, Earth Day Celebrations and Eco Tours.

Furthermore, the association was able to train students in Sci-Dama, Investigatory Research and Sudoku and has conducted trainings and seminars for teachers and school administrators to help upgrade science and math instructions. Last year, we collaborated with the **Department of Science and Technology – STI** for our Investigatory Research and Science Journalism. DOSTv featured our Battle of Math and Science Champions Year 4 at PTV4 last February, 2018.

The association has also maintained its integrity in conducting competitions for being transparent in all our activities. Ilocos Region, Cordillera Administrative Region, Bulacan, Zambales, Olongapo and Nueva Ecija in Region III, Region IV-A CALABARZON, Samar and Mindanao: General Santos City, Kidapawan City and Cotabato City are joining our association.

For the Academic Year 2018-2019, we would like to continue our mission of providing activities to our member schools and other interested private schools in DepEd Region IV-A that would develop knowledge, skills and promote strong camaraderie among science and math enthusiasts and help upgrade capability building in content, strategy and instructional management. In this connection, may we request for an endorsement of our attached activities for the School Year 2018-2019.

Thank you very much.

Respectfully yours,

Eloisa E. Olivera
President, ASMEPPS

Facebook group: ASMEPPS; Facebook page: ASMEPPS National
