

PHILIPPINE SOCIETY OF YOUTH SCIENCE CLUBS

May 15, 2018

Diosdado M. San Antonio
Regional Director
Department of Education - Region 4A
Gate 2, Karangalan Village, Cainta, Rizal

Dear Sir San Antonio

Greetings from the Science Clubbing Movement!

The Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc. is a country-wide organization committed in upholding the significance of science clubbing and in promoting public understanding of science, technology and environment. In a span of 47 years, the PSYSC has conducted positive, practical, and realistic activities and programs for elementary and high school students which enhance their academic perspective and their environmental and social awareness.

This year, PSYSC will be conducting the 29th National Youth Science, Technology, and Environment Summer Camp (NYSTESC) with the theme, "CONFIGURE: Hustle, Thrive, Survive." This event will be held in Visayas from July 28 to 31, 2018. NYSTESC is a four-day activity for high school science club members and advisers across the Philippines. It aims to heighten the interest and awareness of science clubbers on a specific field of science through lectures and interactive workshops while developing their interpersonal skills through interactions with students from different cultures. For this year, our topic is HUMAN KINETICS, the study of mechanics of body movements.

In line with this, we would like to seek your support by helping us in disseminating this information through advisories, or if possible a memorandum to schools in your region. We have attached the materials needed for your reference. The organization is eager to impart this experience to the youth. With your aid, we can train young minds into becoming environmentally-aware and socially active citizens of this country.

We are hoping for your positive response. Please allow us to follow up on this matter. Should you have any questions, please do not hesitate to contact us through the numbers indicated above and look for Ms. Rosalinda Aber (Administrative Officer). You may also approach us through Ms. Jemima Gerse Mendoza at 0977 819 8892.

Thank you very much and more power!

In service of the Filipino Youth.

JEMIMA GERSE MENDOZA
Directress
National Youth Science, Technology,
and Environment Summer Camp 2018

Noted by:

KENT E. MARIAGA
Resident
PSYSC National Executive Council 2017-2019

DR. MANOLO B. JENA
