June 18, 2018

**Subject:** *Invitation for the 1<sup>st</sup> Philippine Robotics Excellence Summit 2018*

To whom it may concern:

Greetings from FELTA Multi-media, Inc.!

FELTA Multi-Media Inc is the pioneer and leader in ROBOTICS Education in the Philippines. With over 18 years of experience and 900 schools in the Robotics Program.

In an effort to share our wisdom and success to more schools interested to integrate Robotics in the curriculum and an opportunity for their students to participate in the Philippine Robotics Olympiad, FLL Philippines and international Robotics competitions we are organizing the Philippine Robotics Excellence Summit for North and South schools (of Metro Manila).

Master Robotics Teachers and Philippine Robotics National team members will share their BEST Practices and showcase World Class Robotics as a learning resource for teaching and learning Science, Technology, Engineering and Mathematics (STEM).

This serves as an invitation for your school to attend the 1<sup>st</sup> Philippine Robotics Excellence Summit. It will be held on July 7, 2018 at Dr. Yanga's Colleges, Inc. Bocaue, Bulacan and on July 14, 2018 at Saint Michael's College of Laguna, Biñan Laguna.

The topics will be:

- I. Introduction of Robotics in STEM Curriculum. How to begin?
- II. STEM for Early Learners.
- III. Robotics for STEM Track Grade 11 and 12
- IV. Advance Robotics for College
- V. Inquiry Based Solutions Strategy for STEM. Beyond the Competition.
- VI. Testimonials from Philippine Robotics Team Members/Making of Champions.
- VII. Case Studies of Best Practices mentoring.
- VIII. Hands on Workshop WeDo 2.0 (First 30 persons to register will do hands on workshop.)

We hope that you will take this opportunity to learn from only the BEST! FELTA Multi Media Inc. will partner with your school and help you grow your own Robotics Program.

Sincerely yours,

  
**MYLENE ABIVA**  
PRO Project Director  
President/CEO – FELTA
