1. Teachers, researchers, school heads, education supervisors, educational leaders and managers, interested researchers, and graduate school students are qualified to present their paper to the said conference. The researcher should pre-identify his/her paper on the priority research themes indicated in the Basic Education Research Agenda.

- i. Teaching and Learning
- ii. Child Protection
- iii. Human Resource Development
- iv. Governance

Research projects may also focus on the areas that cut across the major themes:

- i. Disaster Risk Reduction Management
- ii. Inclusive Education
- iii. Gender and Development

2. The findings generated from the identified research theme should yield towards evidence-based actions for ensuring access to a complete basic education, improving the quality of education and ensuring effective, transparent and engaging governance.

3. Research projects which have been approved to avail the Basic Education Research Fund (BERF) are automatically qualified to be presented. However, those which have been presented in previous international and national conferences are no longer qualified in this research conference.

4. Both oral and poster presenters are required to submit their research abstracts on or before September 7, 2018 to www.cber-calabarzon.org. Accepted oral and poster presenters shall be notified via e-mail not later than October 15, 2018.

5. Abstracts should consist of 150-250 words following the structured format:

- i. Purpose [objectives of the research]
- ii. Design/methodology/approach [how the research was conducted, includes sampling, mode of data collection, theoretical or subject scope of the paper]
- iii. Findings [results of the research, analysis of data, discussion]

- iv. Research limitations/implications [methodology parameters that can restrict the scope of the research findings and are outside the control of the researchers]
 - v. Originality/value [What is new in the research? What is the value of the research? Is the research heuristic or holistic?]
 - vi. Keywords [Listing of keywords will facilitate the search for the research work; should be italicized]
6. Both oral and poster presenters shall be guided by the following mechanics of presentations:
