Director IV  
Department of Education, Region 4A Calabarzon

Dear Dr. San Antonio,

Greetings from Sucesos Filipinas Inc (SFI)!

The study of history among the youth is important and relevant now, more than ever. The study of history provides our learners with a better understanding of the present by learning about the past. It enables the future generations to build on the gains and to learn from the mistakes of those that have gone before them. It is with this in mind that the 3<sup>rd</sup> HISTORY BEE at the History Channel Convention (HisCon) 2018 is being organized.

The History Channel (HISTORY), now reaches more than 96 million homes, and is the leading destination for award-winning series and specials that connect viewers with history in an informative, immersive and entertaining manner across all platforms. The network's all-original programming slate features a roster of signature series including *Pawn Stars*®, *American Pickers*®, *The Curse of Oak Island*™, *Alone*™ as well as the hit drama series *Vikings*™.

SUCESOS FILIPINAS INC. in support of The History Channel's mounting of this year's 3<sup>rd</sup> History Channel Convention will be holding the 3<sup>rd</sup> HISTORY BEE Competition, on August 11, 2018 at the World Trade Center, Pasay City. The 2nd HISTORY BEE Competition held last August 2017 at the History Channel Convention (HisCon 2017) drew over 200 students from various schools in Metro Manila, Region 3 and Region 4-A participating in a series of quizzes and competitions.

For this year, we hope to provide even more students from Metro Manila and the outlying regions the opportunity to be part of this noteworthy event.

In this regard, we are also hoping to seek your kind office's assistance in extending the invitation to DepEd division and school superintendents, and school heads within your area of jurisdiction.

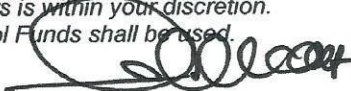

We feel that this activity will complement the school's efforts to achieve their learning objectives in the field Philippine and World History and Culture.
