MRS. CHERRYLOU D. DE MESA
Schools Division Superintendent
Division of Cavite

Dear MRS. DE MESA:

In an environment of limited time and resources, school and community sites can be used as central locations to deliver counseling and coordinated multilevel preventive intervention programs for children, youth and their families. Keeping in mind its importance, the Integrated Professional Counselors Association of the Philippines, (IPCAP) Inc., in its commitment to provide quality professional development among counselors, and other helping professionals, will hold its' 1st National Midyear Convention-Workshop on August 2-3, 2018 at the University of Batangas, Batangas City.

With the theme, "Advancing the Science of School and Community Based Prevention and Intervention," it is envisioned that through the workshops and the plenary sessions, the participants will gain a clearer understanding on how to move beyond short-term preventive outcomes and single intervention. To advance the science of school and community intervention, evidence-based programs and scientific agenda will be presented to strengthen and sustain collaborations among professionals and communities.

Moving to a more innovative perspective, we offer a **Post-Convention Workshop and Tour** before participants leave the land of the Brahmans on **August 4, 2018** to further provide training on the magnificence of using **creative arts as therapeutic strategies in dealing with the issues of clients in the school and community, as well as an excellent practice to provide avenues for participants' self-care.** Furthermore, the tour will give participants opportunity to break away from the daily work routine and enrich knowledge on the culture of *Ala-Eh* by learning something new from the travel.

In consonance, we are requesting your office to please allow the Guidance Counselors and Practitioners in your division to attend on their Official Business by which the transportation and registration fee be charged to MOOE or other school funds.

Kindly deposit your payment (cash/cheque payable to IPCAP) to our BDO Current Account Number 220-084-661 E Rodriguez Avenue, Quezon City Branch. Once payment has been made, please send a copy of the validated deposit slip with your full name, school and address to avabaldovino@yahoo.com (cc. hannahericka.andal@ub.edu.ph) for acknowledgement. For issuance of official receipt, please present a duplicate copy of the deposit slip on the day of the Convention.

Attached is the Program and Conference Fee for your reference. Should you have questions you may email the ipcap2018@gmail.com or call our Governing Council Secretary (Ms. Ava Angeli Bustillo) at 0916 7113802.

We truly believe that through you, this event will become successful. Please accept our sincerest gratitude as we hope to hear a favorable response from this humble request.

Sincerely yours,

Noted by:
