THE REGIONAL DIRECTOR

Department of Education – Regional Office

Dear Sir/Ma'am,

Greetings from the Science Clubbing Movement!

Last May 16, 2018, Philippine Society of Youth Science Clubs (PSYSC), Inc. made a request to your good office to grant a DepEd Regional Advisory for our upcoming event, the National Youth Science, Technology, and Environment Summer Camp (NYSTESC). However, there had been a change in the venue and date of NYSTESC. From Visayas, we will be changing our venue to D'Leonor Inland Resort and Adventure Park, Forestal Rd., Buhangin, Davao City and we will be moving the event dates from July 28-31, 2018 to July 26-29, 2018. We have exhausted all possible venues in Visayas but there have complications regarding the said previous target venue. The dates are also moved in favor of our organization's volunteers who are all college students and will be having their enrollment during the last week of July before the start of the first semester of school year 2018-2019 in August.

In line with this, we are once again humbly requesting your good office to change the venue and date (an erratum) in the DepEd Regional Advisory that we requested. Attached is a formal letter of request to change the venue and date of the advisory and the updated DepEd Advisory Draft.

Thank you very much and more power!

In service of the Filipino Youth,

Julia Jumalon
Secretariat Head
