Dear Sir,

The University of the Philippines - College of Education will hold the **10<sup>th</sup> International Conference on Teacher Education (ICTED)** on **August 23, 24, and 25, 2018** at Seda Vertis North in Quezon City, Metro Manila, Philippines.

The conference is one of the major events lined up to celebrate the centennial of the College of Education. It aims to gather teacher educators, researchers, policy makers, administrators, students, and allied professionals to share experiences and diverse perspectives on this year's theme, *Educational Equity Through Inclusion*. The conference hopes to underscore the role of education as an agent for genuine social cohesion and equity which require breaking barriers and narrowing gaps between and among learners, families, schools, and other communities. It problematizes how inclusive education may be fostered through teacher education and professional development.

To this end, we cordially invite you and members of your institution to participate in ICTED 2018. The three-day conference consists of plenary talks, paper presentations, workshops, roundtable discussions, and exhibitions. Local and international scholars and practitioners will join the conference as plenary speakers and presenters. Among them is Chris Forlin, International Inclusive Education Consultant.

Participants who will register by **July 31, 2018** may avail of the discounted rate of **PhP 8,750** or **USD 300**. All fees cover materials and food for the entire duration of the conference.
