Dear Ma'am/Sir,

Greetings from APEC Schools!

Affordable Private Education Center (APEC Schools) is a fast-growing chain of private high schools committed to provide high quality education at affordable cost. A joint venture between Ayala Education and Pearson, a UK-based global learning company, APEC Schools presently operates across 27 sites in the National Capital Region and Region IV-A.

As part of our vision to transform thousands of lives through affordable and high quality education, APEC Schools is K-12 ready and currently offers comprehensive Junior and Senior High School Programs.

In line with this, we would like to seek permission from your good office to introduce our Junior/Senior High School program in your campus for the benefit of your Grade 6 and 10 students and their parents. Points for discussion will include:

- World Class Education from Ayala and Pearson
- English Mastery and Technology Immersion (Free Use of Laptop)
- Key Industry Partnerships (Ayala Group of Companies and Affiliates)
- Comprehensive Curriculum and Values Formation
- Half Day Class Schedule and No Homework Policy
