Speaker: Secretary Leonor "Liling" Magtolis Briones* - Secretary of the Department of Education (DepEd)

SESSION 1

Session 1: Jobs of the Future

The Fourth Industrial revolution is interacting with multiple factors to create a perfect storm of business model disruptions in all industries, resulting in major changes to labor markets. New categories of jobs will emerge, partly or wholly displacing others.

Speaker: Christopher Monterola, PhD. - Professor Department of Analytics, Information, and Operations Head, School of Innovation, Technology, and Entrepreneurship for the Asian Institute of Management

SESSION 2

Session 2: AI Friend or Foe: Are the Philippine Graduates Ready?

How ready are the Philippine workforce and graduates for rapid disruption and technological changes? The session discusses the current readiness of Philippine graduates and various digital literacy frameworks being used worldwide.

Speaker: Mr. Joey Gurango
Founder - Cognitiv Technologies
and Chairman - CodersGuild.NET

SESSION 3

Session 3: Accenture's Innovation Labs

Accenture is a global company which is known for delivering cutting edge technology through the Accenture Innovation Labs. This session discusses digital technologies including social collaboration, mobile performance support, work-stream analytics, and intelligent decision support as they continue to mature.

Speaker: Ms. Ambe Tierro, Senior Managing Director - Global Artificial Intelligence Capability

SESSION 4

Session 4: Panel Discussion - Ensuring a Globally Competitive Workforce

The global workforce is changing with the 4th industrial revolution driven by artificial Intelligence and automation which are forever changing the competencies needed by graduates to enter the international workforce. Join a select group of experts who will discuss the new standards and competencies needed to prepare the workforce of tomorrow.

Speakers:

- Dr. Nilo Rosas - President of New Era University
- Mr. Gerry Sanvictores - Chairman and President of Quantum Group Philippines
- Dr. Raymundo Arcega - President of ALCUCOA / Executive Vice President of University of Makati

SESSION 5

Session 5: Philippine Qualifications Framework: How do we compare to other countries?

As the world goes global, talent becomes mobile and work can travel anywhere. Learn how the current Philippine Qualifications Framework applies to both the local setting and now to the global arena.

Speaker: Dr. Conrad Inigo - Chairman of PACUCOA/VPAA of LPU Manila

SESSION 6

Session 6: Sharing of best practices. How did Malaysia go about adopting the AQRF, getting buy-in and implementing it

Our ASEAN neighbors are launching national initiatives to prepare for the 4th industrial revolution including Malaysia's National Industry 4.0 Framework. Discover how Malaysia is up-skilling its workforce through the MQF and AQRF.

Speaker: Dato' Professor Dr. Morshidi Sirat - Malaysia Qualifications Authority*

SESSION 7

Session 7: Fireside Chat on Turbocharging the Philippine Qualifications Framework

Experts discuss how the current Philippine Qualifications Framework can be turbocharged in-order to ensure that our Philippine workforce and graduates receive the quality education needed for the 4th industrial revolution.

Speakers:

- Dato' Professor Dr. Morshidi Sirat - Malaysia Qualifications Authority*
- Dr. Conrado Inigo - Chairman of PACUCOA/VPAA of LPU Manila
- Dr. Reynaldo Vea - President of Mapua University
- Mr. Gerry Plana - President of the People Management Association of the Philippines*

SESSION 8

Session 8: Fostering the Best Talents through IBM Pathways in Technology Early College High Schools (P-TECH)

P-TECH 9-14 School Model is a pioneering education reform initiative created by IBM, to prepare young people with the academic, technical and professional skills required for 21st Century Jobs and ongoing education. P-TECH represents the best of what public-private partnerships can look like, with students coursework simultaneously and engaging in industry-guided workforce development. Discover the P-TECH model in this session.

Speaker: Ms. Agnes Africa - Country Manager, Marketing & Communications, Corporate Citizenship & Corporate Affairs at IBM Philippines, Inc.*

SESSION 9

Session 9: The Start-up Economy: Using Technology for Inclusive Growth
