DEPED CAVITE PROVINCE

Dear Madam,

Christian Greetings!

I, **Daligen A. Cabilan** and **Reowel L. Carinan Jr.**, a representative of **Arts and Livelihood Education**, a resident of Rancho Imperial, Tartaria, Silang, Cavite is committed to conduct free lectures about **Paper Clay Art for MAPEH/E.P.P.** that will fit to their lessons for Grade School Students. We conduct free of charges for actual demonstration and sample of project.

Rationale:

- * Develop their psycho-motor skill
- * Widen their imagination and creativity
- * Learn the principles of color harmony, combinations and blending of colors
- * Develop the value of discipline and patience
- * Self recognition of identity and personality
- * Advance learning on making practical arts for common products
- * Project related to their lesson
- * Develop and expand their skills on performing arts

For the above reason, we would like to seek permission on your office regarding your preferential attention and consideration. Regarding this matter your necessary support and assistance is highly appreciated.

Thank you very much for your unusual consideration and support. May our God always prosper you and give you more successes.

Respectfully yours,

Daligen A. Cabilan
Field Art Demonstrator
