Dear Dr. San Antonio:

Peace be unto you!

The PCPD Training Center Inc. is at the forefront of designing programs that are geared towards increasing the competencies of 21st century educators. To this end, we would conduct the following specialized programs at Ilagan City, on July 12-14, 2019 dubbed as **International Trainings for Pedagogical Advancement** with the theme: **"Forging Ahead Towards Inclusive and Efficient 21st Century Pedagogical Practice"**:

- a. **International Training on Current trends in Technology Livelihood Education and Technology and Vocational Learning; and**
- b. **International Training-Workshop on the Challenges of ICT Integration in Teaching-Learning Process for Science and Mathematics**
- c. **International Training Workshop on 21st Century Learning Platforms for Language Teachers**

The primary goal of the program is to ensure that educators handling the subject area components are provided the latest pedagogical tools to ensure efficient delivery to the students.

We humbly seek your assistance to inform the licensed professional teachers in your institution and within your area of responsibility through a regional advisory. For a minimal fee of PhP 3,000 participants will be provided their lunch, snacks, coffee, and their seminar kit. Moreover, we would apply for 15 CPD units for the said classes with the CPD Council for Professional Teachers.
