## Greetings of Peace and Hope!

**Malayan Colleges Laguna – A Mapua School** is in solidarity with the Department of Education in advocating learner-centered instructional delivery in responding to the challenges of 21<sup>st</sup> century teaching and learning. This is one of our inspirations for leading in outcomes-based education (OBE) through our program offerings.

One of our channels in sharing this advocacy and thrust is the MCL Cup. It is an annual inter-high school competition series where we open our doors to become the meeting point of the brightest and most promising students in the CALABARZON region and the neighboring cities and provinces. MCL Cup has been a tradition not only for MCL but also to our partner schools who have overwhelmingly supported the series in 2006.

For this year, we are having **MCL Cup 14.0** from **November 29 to December 7, 2019** with the theme **"to the limits we push on"**.

**MCL Cup 14.0** marks the **14<sup>th</sup> year** of our tribute to all educational institutions for tirelessly 'pushing on to the limits' to nurture the best and excellent in every young Filipino by providing opportunities for honing one's **knowledge, skills, and attitude**- the very pillars of OBE.

We are very thankful to the **DepEd-Region IV-A (CALABARZON)** for an all-out support to MCL Cup since 2015. Your endorsement of this milestone has made us reach more than 150 schools since 2006 when we first incubated the idea of this inter-school festival.

**TO THE  
LIMITS  
WE PUSH ON**

Malayan Colleges Laguna  
A MAPUA SCHOOL

Hence, we would like to seek your support for MCL Cup 14.0 by requesting for an endorsement in the form of a Regional Memorandum for private and public schools in CALABARZON for the above-mentioned activity.

Furthermore, we wish to include the same endorsement to all our promotional materials and official communications to our partner schools.

Attached herewith are the following documents for your reference:

1. Calendar of events for MCL Cup 14.0
2. List of Activities and Guidelines
3. Registration Procedures

For related concerns, you may contact the undersigned through Telephone Numbers (049) 832-4045 / 832-4023; Mobile Number: (0918) 992-9687; or email address: [jromesina@mcl.edu.ph](mailto:jromesina@mcl.edu.ph).

We are very optimistic that you will give us your most preferential attention and positive response to our humble request.

Thank you very much and more power!

To the limits, we push on.

Respectfully yours,

**PROF. JAMES RONALD O. MESINA**

Overall Chair, MCL Cup 14.0

Director, Strategic Partnerships and Global Engagement
