SUBJECT: Request to Issue Memorandum Endorsing the 2019 MSPC Convention and General Assembly on September 7, 2019 at the Southern Luzon State University, Lucban, Quezon

Dear Dr. Rocafort

Warm Greetings! The Mathematical Society of the Philippines CALABARZON (MSPC) will be holding its Annual Convention and General Assembly with the theme "Hurdling the Challenges in a Changing Educational Landscape in Mathematics" on September 7, 2019 at the Southern Luzon State University, Lucban, Quezon. This event is open to all mathematics educators, researchers and students from public and private senior high schools, colleges and universities in CALABARZON. A special feature of the convention is the participation of students where they will be given special slots and competes for awards by presenting worthwhile researches in their field of interests.

The convention aims to (1) provide a venue for mathematics educators, researchers, and students to share their research results and interests; (2) invite collaboration among all concerned; (3) strengthen camaraderie and goodwill among mathematics enthusiasts in the CALABARZON areas; and (4) foster commitment to continue to advance the frontiers of mathematics in the country. It will feature plenary talks, workshops for students, contributed talks and poster presentations.

In this regard, we are humbly requesting a DepEd Advisory from your office endorsing this activity to all public and private high school mathematics educators and researchers and SHS students within CALABARZON. Please see the attached Call for Participation for more details.

For inquiries, participants may send an email to mspconvention@gmail.com or contact the numbers (0908) 898-2797/(0916) 619-8865.

Thank you very much and we are hoping for your positive action on our request.

Very truly yours,

2019 MSPC Annual Convention and General Assembly September 7, 2019 * SLSU, Lucban, Quezon

The convention will feature plenary talks, workshop for students, parallel sessions for short talks and poster presentations. It aims to (1) provide a venue for mathematics educators, researchers, and students to share their research results and interests; (2) invite collaboration among all concerned; (3) strengthen camaraderie and goodwill among mathematics enthusiasts in the CALABARZON area; and (4) foster commitment to continue to advance the frontiers of mathematics in the country.

A special feature of convention is the participation of students coming from senior high schools, colleges and universities of our region. They will be given special slots and compete for awards by presenting worthwhile researches in their field of interests for oral and poster category.

Contributed Talks/Poster Presentations: Each parallel session will feature short paper presentations (15 minutes) on the areas of pure and applied mathematics, mathematics education, computing, statistics and other related fields. There will also be poster presentations on any of the areas given above.

Those who wish to contribute papers or poster presentations are requested to send the title and abstract to <mspcconvention@gmail.com>. Indicate if you are submitting for paper or poster presentation. Abstracts (maximum of 250 words) should be informative for proper evaluation by the scientific committee. **The deadline for all abstracts is on 19 August 2019 (Monday).** Notice of acceptance is on 27 August 2019.
