CHERRYLOU D. DE MESA

OIC- School Division Superintendent
Department of Education
Cavite Province

Dear Ms. de Mesa:

PhilHealth believes that it is essential to inculcate the value of social health insurance among students at an early age. This will enable them to become future advocates of the government's National Health Insurance Program (NHIP) towards ensuring that each Filipino is continuously secured, covered and protected from financial risk in times of illness.

It is in this light that the First PhilHealth National Quiz Bee has been conceptualized. This is our way of finding out how much knowledge and understanding on PhilHealth students have gained since the integration of PhilHealth in the Health curriculum of Grade 11 students in public schools nationwide.

The PhilHealth National Quiz Bee is a competition for Grade 10 to 12 students nationwide that aims to:

- test the knowledge of students on PhilHealth products and services,
- enhance and deepen the knowledge of students about PhilHealth,
- serve as a venue in the improvement of the PhilHealth Learner's material (PLM) which has been rolled out in public schools for SY 2017-2018;
- encourage students to become advocates of PhilHealth; and
- encourage/ boost adoption of the PLM by the private secondary schools.

Below is the details of the competition:

COMPETITION LEVEL	SCHEDULE
Division	September to early October 2019
Regional	October 24, 2019
Area	November to December 2019
National	February 14, 2020

The Division Level competition will be fully facilitated by the DepEd to ensure that each Division will have one participant to the Regional competition.

Please see attached contest mechanics for your information and reference.
