Neil Evangelista  
Regional Youth Formation Coordinator

**SUBJECT: MVP-Future Thought Leader's Summit Year 5**

**Dear Mr. Evangelista:**

The First Pacific Leadership Academy (FPLA), situated amidst a lush 10-hectar property in scenic Antipolo, is a premier training and development center whose competitive advantage stems from integrating leadership programs with world-class facilities. As the first dedicated corporate university in the Philippines, FPLA plays a vital role in the development of companies in the country by providing need-specific programs focused on Executive and Management Development, Human Resource and Organization Development, and Skills Development.

Since 2013, FPLA has been crafting youth leadership programs and had produced 410 esteemed young leaders from all over the country for the past four summits. Now on its fifth year, the Academy is opening its doors for the MVP Future Thought Leader's Summit (MVP-FTLS) on January 26-29, 2020 at FPLA in Antipolo City. The summit aims to gather 90 underprivileged student leaders from Grades 8 and/or 9 that will advance the country in social development, innovation and integrity. The student leaders will undergo a three-day summit filled with learning focused on leadership and social entrepreneurship. The summit will also be an avenue to develop their projects, share insights, collaborate with others, and build lasting camaraderie with fellow participants. Experienced speakers and facilitators will be at the helm of teaching and facilitating the flow of learning through talks, workshops and interactive activities.

The Academy will shoulder their accommodation, meals, and program fee for the three-day summit. The school/organization or the student must, however, take care of their transportation expenses and arrangements going to the Academy in Antipolo and back to their respective hometowns.

In line with this, we would like to request your good office for assistance in reaching out to the schools under your division. The Academy is looking for a diverse pool of young leaders to join the summit such as Academic Leaders, Sports Leaders, Student Organization Leaders, and so on. Each school shall complete the following: (1) A social entrepreneurship project which directly improves their selected community in support with the Sustainable Development Goals (SDG), (2) Leadership Profile of the students and (3) Parental Consent. Accepted participants will be notified on the 1<sup>st</sup> week of December. Please refer to the program and application details on the next pages.

Should you have questions, please get in touch with Christian Bautista, FPLA's Program Specialist and MVP-FTLS Camp Master at 0998 844 2762 or send an email to [ian.bautista@fpla.com.ph](mailto:ian.bautista@fpla.com.ph).

Thank you. We are looking forward to your favorable response.

Kind Regards,

**Kathrine D. Biason**  
Deputy General Manager and Programs Director
