# 3<sup>rd</sup> National Science & Engineering Fair 2020 PHILIPPINES

January 31-February 2, 2020, Teachers Camp, Baguio City

October 29, 2019

Wilfredo E. Cabral Ph.D.

OIC-Regional Director

Department of Education SDO

Karangalan ES, Karangalan Village Cainta, Rizal

Dear Dr. Cabral,

**Subject: 3<sup>rd</sup> National Science and Engineering Fair Philippines**

A pleasant day to you!

In support to the thrust of the Department of Education curriculum in cultivating a nation full of critical thinking and problem solving citizens through holistic learning and standards-based education, the STEM Hub, a premier institution which focuses on STEM Education, research and education programs would like to seek for your endorsement for the **3<sup>rd</sup> National Science and Engineering Fair (NSEF) Philippines** to be held at the Teachers' Camp, Baguio City on January 31-February 2, 2020.

The program aims to create a culture of research in the nation and bring about opportunities for learning and collaboration platform among the participants. In April 2018, there were about 300 young research finalists and observers with 81 research projects from all over the country participated in the 1<sup>st</sup> NSEF. We are successful in the digital publishing these abstracts in the National Library of Singapore through the support of our international partner Ascendens Asia Singapore. The event was followed by the 700 research participants in 2019 with 300 research projects nationwide making us the biggest scientific research gathering for the basic education in the Philippines. We have expanded this program to elementary, high school, college students and teachers to promote our thrust and support in the STEM education in a wider scope. Thus helping the country in the promotion and development of science literacy, critical thinking and problem solving skills among its people.

We respectfully seek for your usual support by helping us reach students and teachers who have great interest in the field of scientific and multidisciplinary research. Hoping that with your great support, we could be able to create a civilization filled with scientific minds that have greater appreciation and desire to improve the lives of the human beings, the society and the environment.

Attached are the details of the events as well as the program matrix.

Thank you very much!

Sincerely,

**JOSEPH R. JACOB**, LPT, MBA, MAEd, FRIEDr  
President, NSEF Philippines

# 3<sup>rd</sup> National Science & Engineering Fair 2020 PHILIPPINES

January 31-February 2, 2020, Teachers Camp, Baguio City

## NSEF 2020 Pre-Registration Process

Categories:	Sub Categories	Emails
A: Elementary Research	A. Invention B. Investigation	nsefp3elem@gmail.com
B. Junior High School Research	A. Experimenting B. Engineering C. Multidisciplinary	nsefp3jhs@gmail.com
C. Senior High School Research	A. Experimenting B. Engineering C. Multidisciplinary	nsefp3shs@gmail.com
D. Teacher Research	A. Experimenting B. Engineering C. Multidisciplinary	nsefp3teach@gmail.com
E. Teacher Lesson Plan	*write the subject area and grade level	nsefp3teach@gmail.com
F. Teacher Strategic Intervention Material (SIM)	A. Classroom-based B. School Wide C. Others. Please specify.	nsefp3teach@gmail.com
G. National STEM Quiz Bee	A. Elementary B. Junior High School C. Senior High School	stemhubsecretariat@gmail.com

### How to join:

- I. The project focal person /lead or the adviser shall email us to express the intent to join NSEF 2019. All emails must be done by the teachers (project lead, research adviser, school administrator) or parent of the student with no research adviser. Please attached the following:

#### a) Registration Information:

Category	Sub Category	Project Title	Proponents/s	Grade Level (of the proponents or the grade level being taught by the teacher)	School /School Address	Adviser (for research only)	Email Address	Contact Number

- b) Abstract for the Research Competition (for research entries only)
- c) Project Description (for research entries only)
- d) Lesson Plan (for the teacher lesson plan contest only)
- e) SIM (for SIM contest only)
- f) Copy of the deposit slip of P300 pre evaluation fee for all contests except the quiz bee.

Registration to the National STEM Quiz Bee is P1, 000 which includes the FREE 3-day observer's access to the NSEF 2020 programs.

- II. Submission of entries for pre-evaluation is on September 15, 2019 to December 6, 2019. Feedback to the entries shall be given within two weeks after the submission. Early submission of entries is an advantage to have an ample time for the revision when necessary.
- III. Details to the competition proper shall be given after the confirmation of the finalists.
- IV. All the FORMAT and specific guidelines for each category may be requested on the email provided.
