Re : Request for Issuance of a Memorandum to Schools to Join at Save the Children Philippines Activities

Dear Mr. Bautista :

Greetings!

Save the Children – the world's leading independent organization – believes every child deserves a future. In the Philippines, where we have been working for over 30 years, we give children a healthy start in life, the opportunity to learn, and protection from harm. We do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

As we move forward with our response to the dengue crises in Cavite, Save the Children Philippines in coordination with DOH and LGU, proposes school-level awareness raising sessions to increase the understanding of learners, teachers, and members of Parents Teachers Association on dengue prevention. To make this happen, please find below our proposed strategy and activities to achieve the desired outputs:

Proposed Activity	Target Date	Target School	Target Participants
Orientation of Dengue Brigade Members	November 21, 2019 at 9:30 AM	Halang Elementary School	12 selected pupils from each school

On the event slated on Nov. 21, we will empower the student members of the dengue brigade on the dengue prevention through the 5S Strategy and on how they can speak with their fellow students during the afternoon event slated on the same date.
