SUBJECT : **PHILIPPINE SOUTHEAST ASIAN GAMES ORGANIZING
COMMITTEE (PHISGOC) REQUEST FOR SUSPENSION OF
CLASSES IN SELECTED SCHOOLS ON DECEMBER 2-6, 2019**

DATE : November 12, 2019

This refers to the request of Mr. Ramon Suzara, Chief Operating Officer, Philippine Southeast Asian Games Organizing Committee (PHISGOC) to suspend classes for the 30th Southeast Asian (SEA) Games (attached as "Annex A").

The Department of Education (DepEd) supports the Philippines' hosting of the 30th SEA Games and will extend its assistance to the PHISGOC within the limits of our resources, governing laws, and regulations.

In response to their request, we will suspend classes on December 2-6, 2019, in public schools included in the list as attached to their October 23, 2019 letter ("Annex B").

In addition to their request for suspension of classes, we have identified six (6) public schools in Manila, Pasay City, and Pasig City to be used as billeting quarters of two hundred ninety-six (296) drivers during the SEA Games in ("Annex C"). This means that classes shall also be suspended in these schools.

However, with respect to private schools, it is our policy that the recommended suspension of classes is within the discretion of their respective school administrations. As such, we are referring the PHISGOC request to the respective school administrations of those private schools for their action ("Annex D-1 to D-3").

I trust that you would coordinate this matter with the concerned schools division superintendents in your respective jurisdictions. Thank you.

Greetings, Sec. Briones!

With only 47 days left before the opening of the 30th South East Asian Games (SEA Games), the Philippine South East Games Organizing Committee (PHISGOC) is continuously working hard to prepare for the biggest, most viewed, and best hosted edition of the Games.

Spread between Clark, Subic, Metro Manila, and South Luzon areas are different venues to hold the different sports activities during Games Time. In line with this, we would like to request assistance from your good office, pursuant to Memorandum Circular No. 56 issued by the Office of the President. Suspension of classes in November 30 until December 11 will help ease traffic, as well as encourage the youth to participate by watching and supporting our home teams. This would give them a once in a lifetime experience that would nurture their nationalism by seeing the first-hand perseverance of our athletes for love of our country.

Hereby attached in this letter is the list of competition venues where the Games would be held.

For any concerns and inquiries with regard to this event, feel free to contact Monica Mitra, Director, Planning & Coordination Office (PCO), at 09175264872, monica.mitra@2019seagames.com.

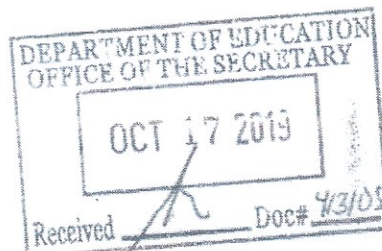

Extending our gratitude for your support towards the success in our country's hosting of this biennial event. Together, we can truly inspire the nation with the ideal that "we win as one."

Sincerely,
