**Sir Rommel Bautista**

Schools Division Superintendent

Department of Education – Cavite Province

Trece Martires City, Cavite

Sir:

Greetings!

RoboRAVE South Luzon is an international robotics competition that aims to teach students and teachers on how to design, build, program and test robots to perform a variety of tasks, and for teams, ages 8 to adults, to test their design in one or more events. Our motto: "Today's Play, Tomorrow's Pay" and our three goals: Fun while Learning, Sharing, & Teamwork.

In line with this, we would like to invite your robotics team to participate in the upcoming RoboRAVE South Luzon which will be held on December 08-09, 2019 at Torres Farm and Resort – Bgy. Sabang, Naic, Cavite.

For the challenge rules and age categories, you can download it at [www.roboraveinternational.org/challenges](http://www.roboraveinternational.org/challenges) and you may visit RoboRAVE South Luzon Facebook page.

The champion teams in each category will be awarded with medals, certificates and Registration Fee sponsorship to RoboRAVE Australia 2020. The registration fee is Php 5,000.00 per team (2 – 4 members and coach) per challenge. Observer's fee is Php 500.00. Deadline of registration is on December 02, 2019. The collected fees will be offset to the cost of preparing and organizing the said event.

For inquiries visit the facebook page: RoboRAVE Philippines and RoboRAVE South Luzon or email at [roboravesouthluzon@gmail.com](mailto:roboravesouthluzon@gmail.com)

Sincerely,

RoboRAVE South Luzon Team
