WILFREDO E. CABRAL Ph.D.
Director III
Officer in Charge
Office of the Regional Director
Department of Education – Region IV-A

Dear Dr. Cabral,

Greetings!

The Philippine Normal University (PNU) – Faculty of Science, Technology and Mathematics (FSTeM) would like to cordially invite the junior and senior high schools from your region to compete in the 2nd PNU Regional Inter-School Science and Mathematics Olympiad (*PRISMO*). The competition will be held on November 27, 2019 at 7:00 in the morning at the university's Geronima T. Peerson Hall Auditorium.

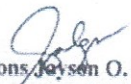

This event is in line with the celebration of the university of the National Science and Technology Week 2019 with the theme: "STEM Education towards PH Sustainability".

In connection thereof, the undersigned would like to request the dissemination of this invitation to the secondary (JHS and SHS) schools in your region. The event aims to uphold STEM as a vehicle in promoting leadership and academic excellence and to recognize students with exceptional scientific and mathematic skills, promote critical thinking and problem-solving techniques and foster enthusiasm and interest which may lead to a future career in STEM.

Attached to this letter is the mechanics of the competition. If there be other queries regarding this invitation, please contact the in-charge at the contact details provided.

The undersigned is looking forward to your favorable response to this invitation. Thank you very much!

Sincerely,

Alfons Jayson O. Pelgone
Coordinator, PRISMO 2019
