Dear Sir:

Greetings!

This comes to you with our warmest greetings of PEACE!

The eruption of Taal Volcano surprised all of us. This was felt in our places and was considered a big natural disaster in the province and cities of Cavite. Worst experienced by our nearby Province and Cities of Batangas. Our countrymen near the Taal Volcano suffered the most.

The Girl Scout of the Philippines-Cavite Council wishes to inform you that we are soliciting help to all girl scouts thru their services, donations in kind and cash as soon as possible to extend help for our fellowmen in the mentioned places.

In connection to this may we request from your good office to allow us ask for a voluntary donation from our girls in green to immediately make a move to the needs of those who are affected by the said eruption.

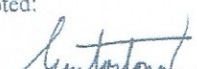

Here's hoping for your usual support without which Girl Scouting in the province and cities of Cavite will not be a success.

Thank you very much. God bless us all.

Very truly yours,
