La Chimie Quizbee

With reference to the letter of Geri Ann Apilado, Vice President for Externals, and Vince Edison Tan, President of UP Manila Biochemistry Society (UPBCS), all SDOs are hereby informed about La Chimie Quizbee, a national quiz competition in celebration of the UP Manila Biochemistry Week.

The competition will be held on Saturday, February 1, 2020 at UP Manila. The quiz bee aims to assess the competitiveness and chemistry knowledge of senior high school students throughout the Philippines, and also to promote BS Biochemistry as a degree choice of the learners in college. Activities around the booth exhibit area will be held by the Biochemistry students and sponsors.

Society**

The University of the Philippines Biochemistry Society (UPBCS) is a socio-scientific non-profit organization based at the University of the Philippines – Manila College of Arts and Sciences

We, members of the University of the Philippines Biochemistry Society, are drawn together in pursuit of academic excellence and desire to embody our principles and ideas to further the cause of science and technology in our University and in our society

"Honor and excellence at the molecular level."

LIST OF ACTIVITIES

DATE	EVENT
 LA CHIMIE FEBRUARY 1, 2020 (SATURDAY)	<p>LA CHIMIE QUIZ BEE A chemistry quiz bee that assesses the competitiveness and chemistry knowledge of senior high school students throughout the Philippines, which also aims to promote BS Biochemistry as a degree choice in college. Activities around the booth exhibit area will be held by the Biochemistry students and sponsors.</p> <p>Target Audience: Around 100 high school students and their coaches + 150 UP Manila students and faculty</p>
 Graduate School Talk FEBRUARY 3, 2020 (MONDAY)	<p>BIOCHEMISTRY WEEK OPENING Ribbon-cutting to officially open the week-long celebration. Kick-starter of the booths that showcase this year's theme prepared by the different year levels of BS Biochemistry undergraduate students, which will be open throughout the week.</p> <p>Target Audience: UP Manila community of around 2000 students, faculties, and staff</p>
 Alumni Talk FEBRUARY 4, 2020 (TUESDAY)	<p>GRADUATE SCHOOL TALK A talk by select Department of Science and Mathematics (DPSM) professors on their experience and advice for graduate school.</p> <p>Target Audience: 250 UP Manila students and faculty</p>
 Alumni Talk FEBRUARY 4, 2020 (TUESDAY)	<p>ALUMNI TALK A talk by UP Biochemistry Alumni on their experiences and advice for life following undergraduate school.</p> <p>Target Audience: 100 UP Manila students</p>
 Colloquium FEBRUARY 5, 2020 (WEDNESDAY)	<p>COLLOQUIUM A colloquium by UP Manila professors in various professional fields to showcase their researches related to chemistry and biochemistry.</p> <p>Target Audience: 250 UP Manila students and faculty</p>
 Symposium FEBRUARY 6, 2020 (THURSDAY)	<p>SYMPOSIUM A symposium by guest speakers from various fields relevant to genetics.</p> <p>Target Audience: 250 UP Manila students and faculty</p>

(FRIDAY)**

CHEMAZING RACE

An amazing race for groups of Biochemistry students that requires answers to chemistry-related questions or accomplishment of tasks to move on to succeeding stations in order to unlock the final puzzle.

A grand salu-salo to officially mark the end of the week-long celebration.

Target Audience: 150 UP Manila students and faculty
