Sir:

Good day!

RoboSports Tournament (RST) is a robotics competition focusing on the integration of robotics and sports like basketball and soccer in promoting Science, Technology, Engineering, Arts and Mathematics (STEAM) among elementary, high school and college students. RST is being organized by RoboRAVE Philippines, a group that implements a robotics education program to teach students and teachers to design, build, program and test robots to perform a variety of tasks, and conducts robotics competitions for everyone to test their design in one or more challenges. RoboRAVE Philippines is under the supervision of RoboRAVE International.

In line with this, we are inviting the student roboticists and coaches from your institution to join the RoboSports tournaments which will take place in the following institutions:

- Nikki Coseteng RoboSports Tournament at Diliman Preparatory School, Quezon City on March 7, 2020
- De La Salle Medical and Health Sciences Institute (DLSMHSI) RoboSports Tournament at DLSMHSI, Dasmariñas City, Cavite on February 29, 2020

The deadline of registration is on February 15, 2020. A registration fee of Php 2,500.00 per team per game will be collected. The collected fees will be offset to the cost of preparing and organizing the said event. Prizes include medals, certificates and one game registration fee at RoboRAVE International (Japan) or RoboRAVE Australia.

For inquiries visit the facebook page: RoboSports Tournament – RST or email us at robosportsph@gmail.com.

Sincerely

RoboSports Tournament Officials
