SAFETY PROTOCOL FOR THE DENTAL SERVICE

1. Pursuant to Division Memorandum No. 181, s. 2020 entitled “Health Protocols at DepEd Offices and Schools in Cavite Province During COVID 19 Pandemic”, which aims to prevent, contain and mitigate the possible transmission of COVID 19, the Dental Unit has set guidelines/ safety protocols to be strictly implemented to all personnel seeking dental service.
2. The guidelines/ safety protocols are also based from the Philippine Dental Association (PDA) interim guidelines on infection prevention during COVID 19 pandemic which are intended to protect Dental Health Workers (DHW), patients and prevent spread of the infection to the community.
3. Thus, on the basis of the above DepEd and PDA guidelines, this memorandum hereby mandates all personnel to strictly comply to the following safety guidelines:
 - a. All personnel will undergo patient screening at the Online DepEd Dental Service (ODDS) FB page prior to dental appointment and face to face consultation. It is the patient’s obligations to provide truthful information, following Republic Act (RA) No. 11332 otherwise known as “Mandatory Reporting of Notifiable Diseases and Health Events of Public Health Concern Act”
 - b. Strictly ‘NO WALK-IN PATIENTS’ will be entertained at the Dental Clinic.
 - c. ONLY oral examination will be done at the clinic.
 - d. No companion will be allowed inside the clinic, except senior citizen and PWD.
 - e. Always wear face mask; this will only be removed during the procedure or upon the dentist’s instructions.
 - f. Strictly follow the protocol of disinfection upon entering and leaving the clinic.
