OF TEACHERS AND OTHER SCHOOL PERSONNEL ON VACCINATION**

**FREQUENTLY ASKED QUESTIONS (FAQS)**

1. Why are we conducting a follow-up Vaccination Perception Survey?  
- Following the perception survey conducted in March, this follow-up survey will be an opportunity to further understand the perception of teachers and other school personnel on vaccination, given that the government has already started with the vaccination program.
2. Does the survey seek to gather an official list for vaccination?  
- No. The survey seeks to determine and understand the perception of teachers and other school personnel on vaccination. This is NOT a list for those who want to be vaccinated.
3. Who can participate in the Vaccination Perception Survey?  
- The participants of the survey will be teachers and other school personnel of both public and private schools nationwide. Regional and Division office personnel are NOT part of the survey.
4. Are teachers and other school personnel required to answer the survey?  
- No. But we highly ENCOURAGE participation in the survey as the data to be gathered will help DepEd in strengthening its policies and programs.
5. When can the teachers and other school personnel answer the Vaccination Perception Survey?  
- The Google Form will be accepting responses starting on April 21, 2021 (Wednesday), 8:00AM and end on April 25, 2021 (Sunday), 5:00PM.
6. What are the roles and responsibilities of the Planning and Research Units?  
- Facilitate the dissemination and deployment of surveys to their respective regions and divisions.  
- Coordinate with public and private schools with regard to data collection and technical issues and concerns.  
- Provide feedback to PS-ODir on the status and issues of the deployment.
