All Public Schools District Supervisors
All Elementary and Secondary School Heads
All Concerned

IN-SERVICE TRAINING ON COVID-19 CARE TIPS, VACCINATION AND RE-ORIENTATION OF SCHOOL HEALTH PROGRAMS FOR SY 2021-2022

1. The Schools Division Office – Cavite Province is constantly regulating its strategies in response to this evolving COVID-19 Pandemic. Plans, policies, and initiatives of the department must be aligned to current and relevant information. Hence, it is imperative for the SDO – Cavite to receive timely updates from the National and/or Local Health Authorities regarding the COVID-19 Pandemic.
2. In addition, the common health concerns in schools related to ailments, discomforts and emergency situations that the learners may experience while attending their class and even outside the school premises, a re-orientation to the different school health programs was also observed as necessary mostly, in this time of pandemic. Also, with the fast turnover of assigned clinic teachers in schools, it is essential to keep them abreast with the current policies, guidelines and directives in reference to Oplan Kalusugan (OK) sa DepEd six flagship programs and others in partnership with the Department of Health. Thus, this office through the initiative of Medical Unit, shall conduct an In-Service Training on Covid-19 Care Tips, Vaccination and Re-orientation of School Health Programs for SY 2021-2022. The activity will be facilitated by the assigned division nurses on a division wide interactive lecture via zoom meet web application through this [meeting ID: 857 6713 0349](#)
3. This in-service training specifically aims to:
 - a. Enable the educators in the approach and management of Covid-19 at home.
 - b. Be fully equipped with the updated information regarding Covid-19 and its vaccines.
 - c. To be re-oriented with the school health programs for SY 2021-2021.
4. Participants of the said activity are all public elementary and secondary teaching and non-teaching personnel of SDO Cavite.
