INTERNATIONAL SEMINAR WORKSHOP FOR MAPEH AND TLE-ICT TEACHERS

1. This professional development program is designed to the ongoing efforts of the Department of Education in enhancing the implementation of the K to 12 curriculum and the Basic Education Development Plan 2023 which contains the strategic roadmap for Philippine basic education system. MAPEH and TLE-ICT are subjects in the basic education that aims to hone learners' abilities, talents, and skills. The MAPEH and TLE-ICT teachers play significant role to realize the full potential of every learner and help them find ways on how to contribute meaningfully to a cohesive nation building. As we continue in the transition in K to 12 program, this professional development activity aims to align the recent changes in the teacher education in terms of the development content knowledge and pedagogical approaches. This International Seminar Workshop is scheduled on December 27-29, 2022, 8:00am-5:00pm, venue TBA.

2. By the end of this training program, participants are expected to:
- Clarify the conceptual foundations of value-laden creative expressions such as visual arts, music, drama and action;
 - Deduce how physical education is both discipline and a teaching profession;
 - Show clear understanding of the basic principles and techniques in relation to physical education and recreation.
 - Address the immediate impacts of the pandemic on mental health using positive psychology.
 - Identify appropriate interventions in relation to current trends and issues in TLE; and
 - Demonstrate learner-centered ICT teaching.
